## DST Coming to You From Boulder

Boulder, CO\_\_\_DST made its long anticipated relocation to Boulder August 1. It is expected that the move, with an expanded area for resources, will prove beneficial to clients seeking to upgrade their preparation rooms.

### New Hours to Serve You 8:30 a.m. to 5 p.m. Mountain Time

The change in time zones plus added opening hours makes it possible for clients to reach DST by telephone an additional 90 minutes per normal business day. Of course you can contact DST 24/7 at [www.duncanstuarttodd.com](http://www.duncanstuarttodd.com) or [info@duncanstuarttodd.com](mailto:info@duncanstuarttodd.com).

**Linda Neale**

Linda Neale has joined DST as office administrator and customer service representative. She may be the first one to take your call. You can depend on her. "My main goal is to serve the customer," she says. "I will go the extra mile to help them."

## Booth 927 at NFDA Convention in Chicago

See Us At Booth 927

DST will welcome convention goers in Booth 927 at the NFDA convention in Chicago, October 23-26. The company's product line will be on display with emphasis on PrepAir and PrepArm OSHA compliant ventilating systems. Stop by and receive a \$1,000 certificate applicable to our Premier

Source design plan. Premier Source preparation rooms will be featured in an on-going video show. For free one-day passes to the exposition hall, call or email us. After September 1, admission to the exposition will cost \$105.

## Pass DST EXTRA Forward

Please forward DST EXTRA along to your staff and colleagues anywhere in the country. We would appreciate the opportunity to acquaint new readers with DST.

## Coming Soon to a Website Near You

DST is poised to introduce a "new and improved" website soon. Stay tuned.

## FEATURED PRODUCT

Premier Source Design is a one-stop service for funeral directors and owners. It includes the architectural design of an OSHA compliant room preparation room along with products exclusive from DST.

The equipment includes PrepAir HVAC and PrepArm LEV, cabinetry, foot-end morgue table receptors and water control units, plus plumbing, safety equipment and custom acrylic accessories. DST also interfaces with contractors to facilitate the construction process.

Consult us by phone:  
877 832 6898

or email:  
[info@duncanstuarttodd.com](mailto:info@duncanstuarttodd.com)

or the web:  
[www.duncanstuarttodd.com](http://www.duncanstuarttodd.com)

The website includes complete information on Premier Source, a brochure available for downloading and a photo gallery of preparation rooms all across the country.

## OUR LILY

Our Lily is adjusting to life in Colorado even though she thought Lake Tahoe was really cool. Like good old Ben Franklin, her mentor, she says about living life to the fullest:

*"One today is worth two tomorrows."*
