THE PREPARATION ROOM SPECIALISTS | SINCE 1991

Premier Source Design

State-of-the-Art Preparation Rooms

Premier Source is an all-inclusive package that incorporates professional architectural design with a range of time-tested preparation room equipment, all from a single source.

Comprehensive Services

Have confidence that your Premier Source plan will meet standards for a 21st century preparation room. We design, specify, and supply a full complement of equipment and CAD drawings. DST clients appreciate the added benefit of technical support throughout the construction phase.

Code Compliance

Breathe easy in a safe, odor-free and energy efficient workplace. Premier Source preparation rooms meet OSHA mandates for air quality. For more than 27 years, funeral service professionals have depended upon DST for air quality solutions.

Innovative Design

Capitalize on our expertise. Our all-inclusive package ensures that nothing is overlooked in the planning and design of your new preparation room. Premier Source gives you peace of mind.
